

Dunsmuir  
April 20<sup>th</sup> 1861.

To Governor Letcher.

Accept my earnest  
for my State. I have no son old  
enough, and my husband is one  
of the "homeguard" so I wish with  
the assistance of my daughters to  
do something - anything. Hearing  
that red flannel shirts or jackets  
are needed, I will make as many  
as you can send ~~materials~~ the  
materials for, - say five hundred  
or a thousand - I can do it, as  
I have a large force at my com-  
mand; and if necessary we will  
work night and day - This is not  
a strange proposal as I reside only  
thirty nine miles from Richmond  
and can send the articles at a  
days notice. I am desirous-  
to do any thing that a woman  
can do for her country.

May God be with you, and all

others to whom is entrusted the  
guidance of this Commonwealth  
in its hour of danger, and may  
we guard and protect those  
who are about to struggle for  
our liberty - God be merciful  
unto us and keep us -

Yours respectfully

Sarah A Logan
