

Stemsburg April 8th 61

Dear Sir

Having failed to
hear from you in regard to
forwarding the amt due on
Dyers bond as you promised me
some time since in Richmond
I again write a line to call your
attention to it & to beg that you
will give the matter your particular
attention & forward me the amt
due without further delay. I am
really greatly in want of the money
am compelled to raise a certain
sum by next Monday & if I cant
make out a part of the money from
this source I do not know what I
shall do. I was in Richmond a

a few days before the Legislature adjourned
I called at your Room to see you & was told that you had left the City in regard to the Houstons & other matter do whatever you think best. with the hope that you will give this matter your prompt attention & let me hear from you on the receipt of this Remembrance
in much haste

Very truly yrs

W. B. The political chaos instead of getting better as I had hoped rather seem to grow darker. The only alternative now left is to quit the Union north. The longer we stay with them the more oppressed & degraded we will become.
